PICKING UP AND DROPPING OFF CHILDREN

Our commitment

Our club is committed to providing a safe environment for the participation of children and young people. Part of this is ensuring that children and young people are not left alone after training or events.

What we will do

- Make sure parents/guardians and children know the time and location of training and events, and when they can expect to collect their children.
- Request instructors and other sporting personnel to arrive before scheduled training or event times.
- Give instructors a register of parent/guardian emergency contact numbers and make sure they have access to a phone.
- Ensure that if parents/guardians are late, instructors will try to make contact with them and:
 - ask the child to wait with the instructor/official inside the training or event hall, along with other members of the club.
 - avoid transporting children to their homes unless permission has been given by parents/guardians.

What we ask you to do

- Pick your children up on time or make other arrangements.
- Inform the Instructors about any changes in arrangements for picking up your child.
