

Instructors:

If you are Instructing/Coaching competitors to fight in this competition, it is important that they are aware of the rules of the competition.

It follows that you, the instructors, are the ones with the responsibility to deliver this knowledge, so it is vital that you are aware of the rules and guidelines surrounding the competition.

If you are fully conversant with the rules and/or you hold a current Judge/Referee licence, then we encourage you to nominate to be a part of the Officials team. Working together will ensure the appearance of bias and preferential treatment/decisions are minimised.

Also remember that this is a martial arts community event and you are a part of it.

If you wish to further your knowledge by attending a Judging/Refereeing Seminar, please contact us through e mail. admin@kyokushinkarategoldcoast.com.au

Or check our Facebook or website of the above for updates and upcoming courses.

Alternatively, give Shihan Phil a call on 0404 462415

Please insert this application with other application hard copies.
